

Wynantskill PTO Highlights for November 2011

Yankee Candle Total Sales were = \$ 9,957.00. Total Profit for Yankee Candle = \$ 3,982.80. Last years Profit = \$ 4,362.17 That is \$379.37 less than last year. Thank you to Mary Lou LeFevre!

* Apparel Sales started at PTO Night out. Only 3 sales that night but lots of people took home the forms. The first order will go in November 30th. Also they will be offered through-out the year this year with orders due at the end of each month. Sue Czubek and her team worked super hard on this and all of the apparel pieces came out GREAT! I am going to try to get up a link on the web to print out the order form.

* Our Membership totals are not in yet. Tina Turbaisz still has a few in the mail box to get. It has surpassed last year.

* Michelle French and Susan Czubek have coordinated the Fall Book Fair which went better than last fall Final total was \$4065.00. Last yr fall was \$3,500. So we exceeded our goal of making at least that. Even with tax (which we had to charge this yr), we are over \$3,700. Awesome job by Michelle and Sue, and all the volunteers!!

* School Pictures were held on October 18th. We are waiting for a make-up date from Aggie Casale. .

* Family Movie Night had a great turnout, Thanks Michelle Fanning! Along with School Banking starting up as well that night, thanks to Sue Czubek!

* PTO Night Out was a great event socially that people enjoyed we had a decent turnout and good vendors. However as of this point we probably made about \$500.00 down from last year, but everyone had a good time. Michelle Fanning did a great job again!

* Hoffman's Car Wash certificates are still in progress until December 5th. Liz Pendergast is chairing this fundraiser.

* School Banking program started up for our students from CAP COM, being chaired by Sue Czubek. First sign ups started on Family Movie night and first deposits started Wednesday. They will be every Wednesday from 8am-8:15am.

* Holiday Shop shopping was done on Sunday night by Tina, myself (Danielle) and we each a friend to help. Tina estimated that we went about \$300 over our budget lots of things we bought last year were more expensive this year, but these are all items that sell and we were under last year. This is a break even event for us, not for profit, so I'm sure we will break even. The Holiday Shop will be held from December 7th through the 9th. Notices will be going out soon to parents and sign-ups for teachers.

* Talent Show forms are all due in by Friday November 22nd. Michelle Lavoy is working hard on getting out the word, and I have received emails for form requests, it sounds like it's going to be another hit!

Our next meeting is scheduled for November 29, 2011.

Thank you for your continued support!
