

Wynantskill PTO Highlights for DECEMBER 2011

* Apparel Sales for the month of December brought in a profit of \$306.00! That is more than the previous 3 years profits combined total of \$303.07, WOW! Apparel will be offered through-out the year this year with orders due at the end of each month. We also have the order form up on our website for parents or faculty to access at anytime. Thanks to Sue Czubek and her team, great start!

* Our Membership total is \$630!! That is \$180 more than last year. Tina Turbaisz did a great job! Congrats to Ms. Glaz's 3rd grade class winning the pizza party with 100% membership!!

* School Banking is off to a great start with 52 students signed up already! Deposits are made each Wednesday morning in room 237 from 8-8:30am. Thanks Sue Czubek and the great team of helpers!

* Hoffman's Car Wash turned out well as well with total sales of \$648 that brought a \$342 profit! That beat out Simply certificates for the past 2 years! Great job to Liz Pendergast!!

* Holiday Shop expenses were \$3813.00 we were \$213 over budget on shopping. Lots of things we bought last year were more expensive this year, but these are all items that sell and we were under last year. This is a break even event for us, not for profit. We sold \$3574.00 we are short of breaking even by \$239. The good news is with the left over inventory we can cut about 200 items off the women's list and about 100 items off the children's list for next year. We also donated \$125 in merchandise to students, we had about 20 card games that didn't sell and were donated to PAL, calendars left for teachers with some food items for their help, and other food items left were donated to the Regional Food Bank in Latham. A special thanks to the Janitor team who were super helpful!! The Holiday Shop went well but we need more volunteers for next year.

* Talent Show auditions are over. Michelle Lavoy said they had a great turn out and even more acts than last year! The GD's Got Talent show will be held on January 27th! Mark your calendars!!

Our next meeting is scheduled for January 10th, 2011.

Thank you for your continued support and Happy Holidays to everyone!
