

## 2010 -- Welcome to 5<sup>th</sup> Grade!!!!

Did you know that all students will have both of us as teachers next year? It is always interesting to have a change of scenery during the day, so we think it will be nice for you to be in both of our classrooms. We're looking forward to having ALL of you as students.

We hope everyone has a safe and enjoyable summer! In order to stay sharp, we highly recommend that you find something that you enjoy reading **every day** and spend as much time as you need on your math facts (you "know" them if it takes you 3 seconds or less to say an answer).

Some of our communications will be electronic (for those of you on the internet), so we encourage you to:

- 1) Send Mr. Mesh an e-mail so he has your e-mail address:  
pmesh@wynantskillufsd.org
- 2) Check out both of our "Home" pages using [www.wynantskillufsd.org](http://www.wynantskillufsd.org)
