Title I Parents' Right to Know

Per the No Children Left Behind Act of 2001 (NCLB), schools receiving Title I funds must notify parents/guardians at the beginning of each school year of their right to request and receive the following information about the professional qualifications of their children's classroom teachers:

- whether the teacher has State certification for the classes being taught;
- the teacher's bachelor's degree major and any other certifications or degrees by field or discipline; and
- whether the child is provided services by instructional aides or similar paraprofessionals and, if so, their qualifications.

Please direct all inquiries to the Superintendent's Office. Thank you.
