Permission Slip for Student Use of E-Reader Devices

Dear families,

The Library is pleased to offer 31 e-reader devices for student use. E-readers are electronic devices that can be loaded with electronic books. Because of the cost and delicate nature of these devices, we are asking parents to sign a one-time-only permission slip if you would like your child to be eligible to borrow one. By signing this slip, you are acknowledging the responsibility to pay for any loss or damage that may occur to the device when loaned to your child.

We currently have 10 Kindle Fire Kids Edition tablets with cases at a value of \$70 each, 5 NookColors with cases at a value of \$50 each, and 16 Nook SimpleTouch with cases at a value of \$30 each. Whenever possible, we will try to repair a damaged device at no cost to you. However, if the device is lost or damaged beyond repair, you will be asked to pay the fees described above.

Furthermore, if you already own a device with e-reading capabilities, we currently have access to over 3,000 e-books through Questar III's OverDrive account. You can find links to the collection on the Library web page and the on-line Library catalog. These e-books can be borrowed by any student and loaded on to any personal e-reader device you may own at no cost and requiring no permission slip. Please contact Linda Fecura (283-4600 X19 or lfecura@wynantskillufsd.org) in the Library for log in information. Due to licensing restrictions, this information can only be shared privately.

As part of our commitment to provide our students access to a wide range of resources, both print and electronic, we invite you to take advantage of this opportunity to enhance your child's love of reading. Please carefully consider the four options below and return the completed form to school with your child by November 30, 2018.
