October 19, 2018

Dear Gardner-Dickinson Families,

It is hard to believe we are well into the Fall season!

The safety and security of our students is first and foremost. From lockdown drills to our arrival and dismissal procedures, there simply cannot be any exceptions to our safety rules.

As you are aware, our circle is labeled and marked with No Parking markings (both in print and in yellow lines). This area must be kept clear at all times (day and night) to ensure police, fire, or ambulance vehicles can approach the school in the event of an emergency. While we understand there are natural reasons to want to bend this rule (temperature, distance from the parking lot, the assumption that nothing will happen for the short time we are parking to drop off a student or an item left behind at home), such reasons do not justify breaking this rule. This goes for our clearly marked Handicap Parking Spots as well (these are reserved for those with a permit only; no exceptions).

Though the markings are clear, we will be placing gates in crucial areas to ensure visitors clearly recognize the necessity to park in our main lot. While parking can be tight, spots can always be found in the lot.

Thank you in advance for your support of our local laws and, most importantly, in ensuring each of our 410 students are safe during the school day.

Should you have any questions, never hesitate to contact me at 518-283-4600 ext. 14, or via email at treardon@wynantskillufsd.org.

Sincerely,

Thomas B. Reardon, Ed.D.
