Dear Middle School Families,

Wynantskill Union Free School District is planning to host a Career Day for students in grades 6-8 on **Thursday, Feb. 13 from 1:00 to 3:00 p.m.** The theme of this year's day is: "This is Why You're Learning This in School." This theme will allow us to highlight the relevance of our curriculum, in particular how it relates to future career paths.

We are seeking parents interested in sharing their careers with our students. Your involvement would be greatly appreciated. The more varied careers, the better! Entrepreneurs and skilled trades are highly encouraged to join us.

As our students prepare for high school and beyond, we want them to know of the many career opportunities available from our local employers. In particular, we would like to open their eyes to careers they might not know about. We plan to offer small group sessions running approximately 20-25 minutes but we can be flexible depending on your schedule. We also can accommodate any of your space or technology needs.

If you would be interested in sharing your career with our students, please return the bottom portion of this form by **Friday, Jan. 10.**

If you have ANY questions at all, please don't hesitate to contact me!

Sincerely,

Dr. Thomas Reardon
Superintendent
Wynantskill Union Free School District

I would be willing to present on **Thursday, Feb. 13 from 1:00 to 3:00 p.m.** in small group sessions about my career (number of classes and session length to be determined based on number of presenters).
