**Like TSL Kids Crew on  
Facebook and Instagram**

**Together, Sharing and Learning** is excited to begin its partnership with Gardner Dickinson, more formally in September, with full scale programs that will meet all of your childcare needs. TSL also boasts the best community programming in the before and after school setting.

TSL will be offering amazing and **competitively-priced** programs year-round at Gardner Dickinson to include before and after school, and potentially vacation camps and summer camp. Our programs will extend from ages 3 and up, with special program components serving teens in the summer.

**TSL fall enrollment is now open** and this is conveniently handled through our website. Once you create your TSL account, you'll be able to handle ALL of your TSL business through the convenience of your online portal. The TSL app will soon be available in the app store, which will bring our client engagement more easily to your mobile devices.

**Follow the steps to enroll for after school for September 2020:**

- **Access our website [www.tsladventures.net](http://www.tsladventures.net)**
- **Create an account with your email and password**
- **Click on the registration menu and select “before/afterschool”**
- **Follow prompts to enroll, enter in bank information and pay your deposit (which goes toward your first month of service)**
- **Watch for your welcome email with attached forms**
