Together, Sharing and Learning is excited to begin its partnership with Gardner Dickinson, more formally in September, with full scale programs that will meet all of your childcare needs. TSL also boasts the best community programming in the before and after school setting.

Established 11 years ago by graduates of the College of Saint Rose's Education program, TSL has since aggressively expanded its presence across the capital region with multiple private campuses and several school partnerships. Their hallmark programs, led by engaging professionals dedicated to recreational programming, have made them one of the largest privately owned school-age childcare companies in the region if not the state of New York.

TSL will be offering amazing and **competitively-priced** programs year-round at Gardner Dickinson to include before and after school, vacation camp and summer camp. Our programs will extend from ages 3 and up, with special program components serving teens in the summer.

TSL opens its fall enrollment March 1 and this is conveniently handled through our website. Once you create your TSL account, you'll be able to handle ALL of your TSL business through the convenience of your online portal. The TSL app will soon be available in the app store, which will bring our client engagement more easily to your mobile devices.

If you are a family that is currently having your child bussed off campus for these programs, our goal would be to win your faith and your business for next year. Stay at home with GD-TSL. You won't regret the choice, and neither will your child, as our new community will be unsurpassed.

There is so much more to tell you! We are inviting you to two upcoming events to learn more about us. We'll be on hand at the **February 10 PTA meeting** and are planning our own information session on **February 24 at 6:30**. Mark your calendars and we'll see you there! In the meantime, enroll for our February camp at 260 Oakwood Avenue in Troy and get to know us.

Email us at tsladventures@gmail.com and we'll add you to our Gardner Dickinson newsletter.
