RE: 8th Grade Parent Information Night for High School

Dear Parents and Guardians:

Parents and Guardians are invited to view at home an informational video program that will be aired on **Wednesday, January 27th at 6:30 p.m.** The link to this program will be on the website as well as email blasted to students and their families. This program will present ninth grade curriculum, showcase elective courses and provide an overview of the Averill Park High School community.

In addition, as part of the 8th grade transition process, the following events are planned:

- Parents and students are encouraged to review the Course Catalog for 2021-22 which can be accessed on the high school webpage. When on the website, click on the gold Course Catalog button, navigate to the right side of the page and then click on APHS Course Catalog 21-22. Parents should also discuss the choice of electives with their child(ren).
- If you plan to attend Averill Park, you may call the Counseling Center to meet with an Averill Park counselor to choose your courses, after your registration.
- If we are able to gather in groups in June, Grade 8 students will visit the high school for an opportunity to meet some of the ninth grade teachers.
- If able, before school begins in September, we will hold a student/parent walkthrough at the high school so incoming freshmen may receive their schedules and locker information and familiarize themselves with the high school building.

If you have any questions, please feel free to reach out to Mrs. Mein (meinc@apcsd.org), the Assistant Principal for the incoming Freshman Class of 2025. We look forward to sharing with you all of the great things that Averill Park High School has to offer on January 27th!

Sincerely,

Heath C. Quiles
Principal

Christina Mein
Assistant Principal
