

Report to the Board of Education – 5/20/21

1. Membership

- a. 119 members
- b. On 4/28/21, WPTA received the Male Engagement Award badge from NYS PTA. This award was achieved through self-nomination where we affirmed we have registered and paid dues for Male members representing at least 20% of our total membership. We are successful in our attempts to be inclusive in making everyone feel welcome and to promote all members of the family unit to join as members. Our community has embraced and supported students and teachers within our PTA which is a wonderful achievement:
