

What to do if your child is exhibiting COVID symptoms at home

If your child is exhibiting [Symptoms of COVID-19](#), please keep him/her home from school. Please contact our school nurse, **Tricia Gibbs, 518-283-4600 ext. 3**, to report their absence. When your child is free of related symptoms, they may return to school. While your child is at home, they will have the opportunity to keep up with their work through their **Google** or **See Saw Classrooms**.

If you suspect that your child may have COVID-19 or was exposed to someone who has tested positive for COVID-19, please call Tricia Gibbs right away to report this information.

If your child has been placed in quarantine for one of the reasons listed above, please see our [Wynantskill Remote Learning Plan & Information 2021-2022](#) for remote instruction information.
