

**Request for Proposal  
Snow Plowing for the 2022-2023 School Year**

Wynantskill Union Free School District is seeking proposals for the snowplow season during the 2022-2023 school year.

Snow plowing is needed when there are two or more inches of snowfall. Plowing is to include the main parking lot area, front circle, side road, loading dock, and rear parking area or all paved areas of the District. Snow stakes will be installed around the described areas to be plowed and removed in early spring. Snow must be pushed back as far as possible and cleaned up as necessary to prevent snowpack accumulation in parking areas as per directions of the Buildings & Grounds Supervisor. Emergency access to the building must be maintained at all times. After the snow season, if necessary repair damaged curbing, and rake and/ or spot seed plow damaged areas.

Proper insurance naming the school district as an insured is required and must be furnished with bid. The insurance coverage must also be submitted. A non-collusive bidding statement must accompany the bid.

Bid Detail:

---

Price for plowing	\$
Price for salt if necessary per time (upon request)	\$
Price for removal of snow piles (upon request)	\$
