

PUBLIC COMMENT AT BOARD MEETINGS

The Board of Education encourages public comment on school-related matters at Board meetings, as outlined in this policy. To allow members of the public to address the Board, a period not to exceed 30 minutes will be set aside during the first part of each Board meeting for public comment, with priority given to comments on items on the meeting's agenda. A second 30-minute time period will be set aside at the end of each Board meeting for public comment on matters pertaining to the district but not on the agenda. These periods may be extended by a majority vote of the Board.

Persons wishing to address the Board will advise the Board Clerk within a reasonable time prior to the start of the public comment period of the meeting. The request will be made in writing on a form provided by the district. To maintain a first-come, first-served process, the district will request anyone wishing to speak sign-in on the attendance form, providing their name and checking whether they wish to speak or not. Those wishing to speak will be called in the order of sign-in on the form. For purposes of following up with speakers later, the district may request, the speaker's preferred contact information such as home address, telephone number, or email address. To limit comments to matters which may be properly discussed in public sessions, the board will request a brief description of the topic to be addressed. Any group or organization wishing to address the Board must identify a single spokesperson. The Board President may limit the number of repetitive comments to keep within the time limit for the public comment period.

Presentation should be as brief as possible. No speaker will be permitted to speak for longer than 3 minutes. Speakers may not give unused time to other speakers. Speakers may comment on any matter related to district business.

The Board will not permit in public session discussion involving individual district personnel or students. Persons wishing to discuss matters involving individual district personnel or students should present their comments and/or concerns to the Superintendent during regular business hours.

All speakers and observers are to conduct themselves in a civil manner. Obscene language, defamatory statements, threats of violence, statements advocating racial, religious, or other forms of prejudice will not be tolerated.

Persons making presentations at a Board meeting will address remarks to the President and may direct questions or comments to Board members or other district officials only upon the approval of the President. Board members and the Superintendent have the privilege of asking questions of any person who addresses the Board but commenters should not expect to engage in discussion with the Board. However, the Board may correct comments that are not accurate and may refer to an existing policy when it answers a question.

Questions and comments from the public concerning matters which are not on the agenda will be taken under consideration and referred to the Superintendent for appropriate action. Persons wishing to have matters included on the agenda will contact the Superintendent in accordance with Policy 2342, Agenda Preparation and Dissemination.

The President will be responsible for the orderly conduct of the meeting and will rule on such matters as the time to be allowed for public discussion and the appropriateness of the subject being presented, as outlined in this policy and applicable provisions of law and regulation, and subject to the Board's parliamentary procedure. If there is disagreement about whether a speaker's topic falls within the topics permitted for public comment, the whole board will vote on the issue.

The President will remind speakers whose presentations are inconsistent with this policy of the rules for public comment. For speakers that continue to violate this policy, the President may discontinue the presentation or call for a brief recess of the meeting. The President may order the removal of speakers from the speakers' area, or from the meeting in general, or may close the public comment period.

For members of the public who are unwilling or unable to speak during public comment periods, including when these periods are closed, they may submit comments to the Board in writing, to the following address: Board Clerk, Gardner-Dickinson School, 25 East Avenue, Troy, NY 12180. You can email the Board at BoardofEducation@wynantskillufsd.org. Complaints from the public are addressed in Board policy 1400.

All individuals at Board meetings are expected to abide by the rules for Public Conduct on School Property as set forth in the district's Code of Conduct. At board meetings, speakers and observers may not engage in behavior that disrupts the meeting, such as shouting, interrupting others, blocking the free movement of others, or obstructing the views of others. In the event of such disruption, the President will remind those in attendance of the rules under this policy. Any Board member may request a brief recess of the meeting. The President may order the removal of those who are a threat to the safety of others or who disrupt the orderly conduct of the meeting. If appropriate, law enforcement may be called to remove disruptive individuals.
