THE SUMMER EDITION

By: Angelina Crawford

I'm so EXCITED FOR SUMMER!!! Summer is so close! Do you guys have any fun things planned for summer? I know I certainly do. Let me tell you a few things I'm looking forward to this year. First off... FAMILY PARTIES!! Family parties are the best with my family especially since I have a HUGE family. I'm also excited for going to Grafton and going swimming. You can't say I'm wrong, Grafton is the best in summer time. Another thing I'm excited for is not having school and sleeping in! I also get to visit a lot of my family and friends and have sleepovers with them.

OOOOO...OOOOOO...I'm also SOOOOO EXCITED FOR MY CAMP!!!! I'm going to go with my little cousin. I have never been to this camp before so it should be interesting. I'll meet new people and have so many new, fun adventures! I also get to go to the OCEAN!!!! We stay at a beach house which is really nice and there's a little festival once it is dark out. I have so many other things that I'm so excited for but I can't fit in everything. I am looking forward to it so much and I hope you are, too. Have a nice summer!

SUMMER SAFETY

Summer Safety

By: Sophie Townsend

- To be safe during the summer, you might want to wear a helmet while you are riding your bike so you don't get a concussion or hurt your head if you fall off.
- When you're outside in the sun you might want to put sunscreen on so you don't become sunburned.
- Be careful riding side by side because you could take a wrong turn anytime and crash and get hurt, so know your surroundings and always have someone with you.
- When and if you are around any water, be with an adult, have life vests or a buddy.
- Stay hydrated in the summertime heat with water or freeze pops and lemonade!
- Most of all enjoy outside time!
