Being Respectful

There are many ways to be respectful, you can be respectful to the teachers, to the classroom supplies, to your classmates, and to your bus driver!

**I can BEE
RESPECTFUL**
by honouring others.

Being Respectful in the Classroom

You can be respectful in the classroom by picking up after yourself and helping your friends when they need help!

Being Respectful to your Classmates

Being respectful to your classmates means being thoughtful, friendly, helpful and kind. Don't call people names or make them feel bad on purpose. Don't take their belongings or break them. Remember to treat others how you would like to be treated. Everyone deserves respect!!

Being Respectful on the Playground

When the whistle blows, come in and help pick up the balls and toys around. If you want to play with somebody, ask them respectfully if you can join in.

Being Respectful on the Bus

Keep yourself seated and stay out of the aisle to help your bus driver be able to see the road and to help you stay safe!
