About the District

Wynantskill Union Free School District is a small, rural Pre-K to grade 8 school district serving a growing student body of nearly 400 students in the village of Wynantskill and surrounding communities.

Students attend our full-day kindergarten program to 8th grade classes at Gardner-Dickinson School, which features small class sizes and individual attention. A Pre-K classroom started in 2018 helps prepare our youngest learners for a successful school experience.

Graduates from 8th grade have their choice of five High School options: Averill Park, Columbia (East Greenbush CSD), Tamarac (Brunswick CSD), Troy or Tech Valley. Wynantskill UFSD pays tuition to the districts for students to attend their high schools.

While a small school community, the district strives to offer student opportunities similar to larger schools including accelerated Art, a library research skills class and afterschool activities. The district also believes in the importance of field trips and class trips to enrich classroom instruction and deepen student bonds.

Wynantskill USFD enjoys strong community support. In 2014, the community approved a \$5.1 million Capital Project by a vote of 119 to 17. The project included a new building addition with bright classrooms, innovative instructional spaces and a performance stage that opened in 2018.

The district has a long history of financial strength from school budgets overwhelmingly approved by the community to positive audits and Fiscal Stress reports from the NYS Comptroller's Office.
