VIII. PROGRAM

(If you need additional space to answer, please include attachments)

1. Please describe your current program model for 4 year olds. Include in your description your program goals and philosophy:

2. Do you presently collaborate with any other agencies to provide programming for 4 year olds?

Y or N

If yes, describe briefly:

3. What curriculum do you presently use for your enrolled 4 year olds? (please attach a copy of the current curriculum and a sample of the daily schedule for four year olds). Partnering agencies will be expected to deliver quality curriculum that is aligned to the New York State Standards as per this guidance document:

http://www.p12.nysed.gov/ciai/common_core_standards/pdfdocs/nyslsprek.pdf

The District will work with the Partnering Agency to provide material, curricular and professional development support in alignment with what is offered to all in-district UPK staff members.

4. What will your Program/Agency do in order to meet that above expectation (#3)?

5. What staff development opportunities do you presently offer your staff?

6. How often are staff members able to attend staff development activities? Please attach your current staff development plan.

7. How and by whom are staff members supervised and evaluated?

8. What do your services to families look like at your facility?

9. Please list parent activities/events that you plan yearly for your parents.

10. Do you offer family support services (parenting classes, social work, etc.)?

Y or N If yes, what services?

11. From your perspective, what are the services your families need that you are unable to provide, such as health or social services?

12. What is your program's experience with preschoolers with disabilities?

13. What is your experience with children with Limited English Proficiency (LEP) or who speak English as a second language?

14. How do you assess the progress of 4 year olds? (Attach a copy of the assessment tool/plan).
Partnering agencies would be able to share the assessment tools and resources of the district.

15. What are the fire drill procedures followed by the staff and children in your facility(ies)? Please include how is that determined and documented?

16. What do you feel you would need from the School District (excluding funding) to support a Universal Pre Kindergarten collaboration?
